

REFERRAL PARTNER SHEET

HOME INSPECTORS

STRUCTURAL ENGINEERING FOR RESIDENTIAL & LIGHT COMMERCIAL PROJECTS

CLEAR SCOPE • UP-FRONT PRICING • RESPONSIVE SUPPORT

YOU FOUND THE CONCERN. GIVE THE CLIENT A TRUSTED NEXT STEP.

A reliable PE referral for structural issues that fall outside the home inspection scope.

LICENSED PE

FAST TURNAROUND

BUILDABLE DETAILS

STRUCTURAL FOLLOW-UP ITEMS

- ✓ Foundation movement, cracking, or bowing walls
- ✓ Sagging floors or questionable roof framing
- ✓ Altered load-bearing walls, beams, and openings
- ✓ Deck, porch, addition, or patio-cover concerns

A CLEAN ESCALATION PATH

- ✓ Clear communication with the client
- ✓ Practical recommendations without unnecessary alarm
- ✓ Written findings that support your inspection process
- ✓ Fast follow-up when timing matters

INSPECTION-TO-ENGINEER HANDOFF

PROTECT THE CLIENT RELATIONSHIP

- You stay inside your scope while still being helpful
- The client receives a qualified structural answer
- Your report leads to action instead of confusion
